

read_arduino_data

```
graph LR; A[read_arduino_data] --> B[arduino_decode_array_method]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'read_arduino_data'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'arduino_decode_array_method' on two lines.
